Thank you for choosing a beautiful Golden Retriever puppy from us! We hope you enjoy and love your new dog as much as we have in the short time we have had him/her.

We accept a \$250.00 nonrefundable deposit to hold your puppy until he/she is ready to be away from the dam. This deposit ensures that you get the puppy of your choice and that you will complete the remaining transaction to make the sale complete.

Our puppies will have been wormed and will have their first puppy shots by the time they are ready to be picked up. You will receive a shot schedule along with your registration paperwork when you pick up your puppy.

We offer a one year health Guarantee which means that if your puppy develops a major health issue within one year of purchase we will either refund your purchase price for the puppy or give you another puppy from our next litter. This health issue must be diagnosed by a licensed veterinarian and is subject to verification by our veterinary as well. Guarantees will be handled on a per situation basis only. This guarantee is void if the puppy is not spayed or neutered by the age of eight months. Our puppies are registered as a litter by the American Kennel Club (AKC) and you will receive the paperwork to complete the registration and choose a name for your pet at the time you pick up your puppy. Our puppies are sold on a limited registration basis which means that the puppy has AKC registration but that offspring from this dog cannot be registered and the opportunities to enter the dog in shows and competitions are limited as well. This also is to ensure that your new pet will be spayed or neutered at the appropriate time. Full registration for breeding/show purposes is available at the time of purchase at our sole discretion for an additional \$300.00.

By signing this document you agree that you have read and understand the above provisions as an agreement between you and Millersville Goldens and that if at any time you are unable to care for this dog properly, you will return him/her to us and you may be entitled to some return compensation on a per situation basis. You agree that you will not “dump” this dog at a shelter or any other facility or abandon it if you can no longer care for it.

Thanks again for choosing a Millersville Golden and may your family and your new pet enjoy many happy years together. God bless you and yours!
